

# King of this Realm

Look at this stuff, isn't it neat?  
Wouldn't you think my armor's complete?  
Wouldn't you think I'm the Knight  
The Knight who has everything?

Look at these scrolls, for valor so bold  
How many title can one white belt hold?  
Looking up at me, you'd think  
Sure, he's knows everything

I've got gantlets and gorgets a-plenty  
I've got chain mail and gold spurs galore  
You want squires?  
I've got twenty  
But who cares? No big deal. I want more...

I wanna be who where the royals are  
I want the key, want the key to the kingdom  
Walkin' around with that  
Oh so shiny crown!

Snapping your flats you don't get to far  
Raps are required for tourney combos  
And pounding your foes in the  
Say it chivalrously, screw it, Ground!

Up where they rule  
Man their so cool!  
Squire come quickly I'm staring to drool  
Wish I could sit, just for a bit  
There on the throne!!!

What would I give if I could live  
In \_\_\_(Name your kingdom)\_\_\_ Royal?  
What would I pay to spend a day  
Ruling this land?

Betcha on high they cry,  
"Oyez, Oyez!" while your talking  
Such a charmer, blinged out armor  
Born to command!

And ready to know what the royals know  
Give my orders and get some action  
Like, "Pour the wine! Screw the dance,  
and Lets Go to WAR!!!"

Think what's in store  
Wouldn't it bring  
Everyone joy if I were the king?  
Wish I could be  
Grand royalty  
King of this... REALM
